Breeze **MEGA** Studio

Exhibition Hall

Venue Overview

Location

Breeze MEGA Studio debuted in late 2022 in the heart of Taipei's vibrant East District, just minutes away from Zhongxiao Fuxing, Zhongxiao Dunhua, and Nanjing Fuxing MRT stations.

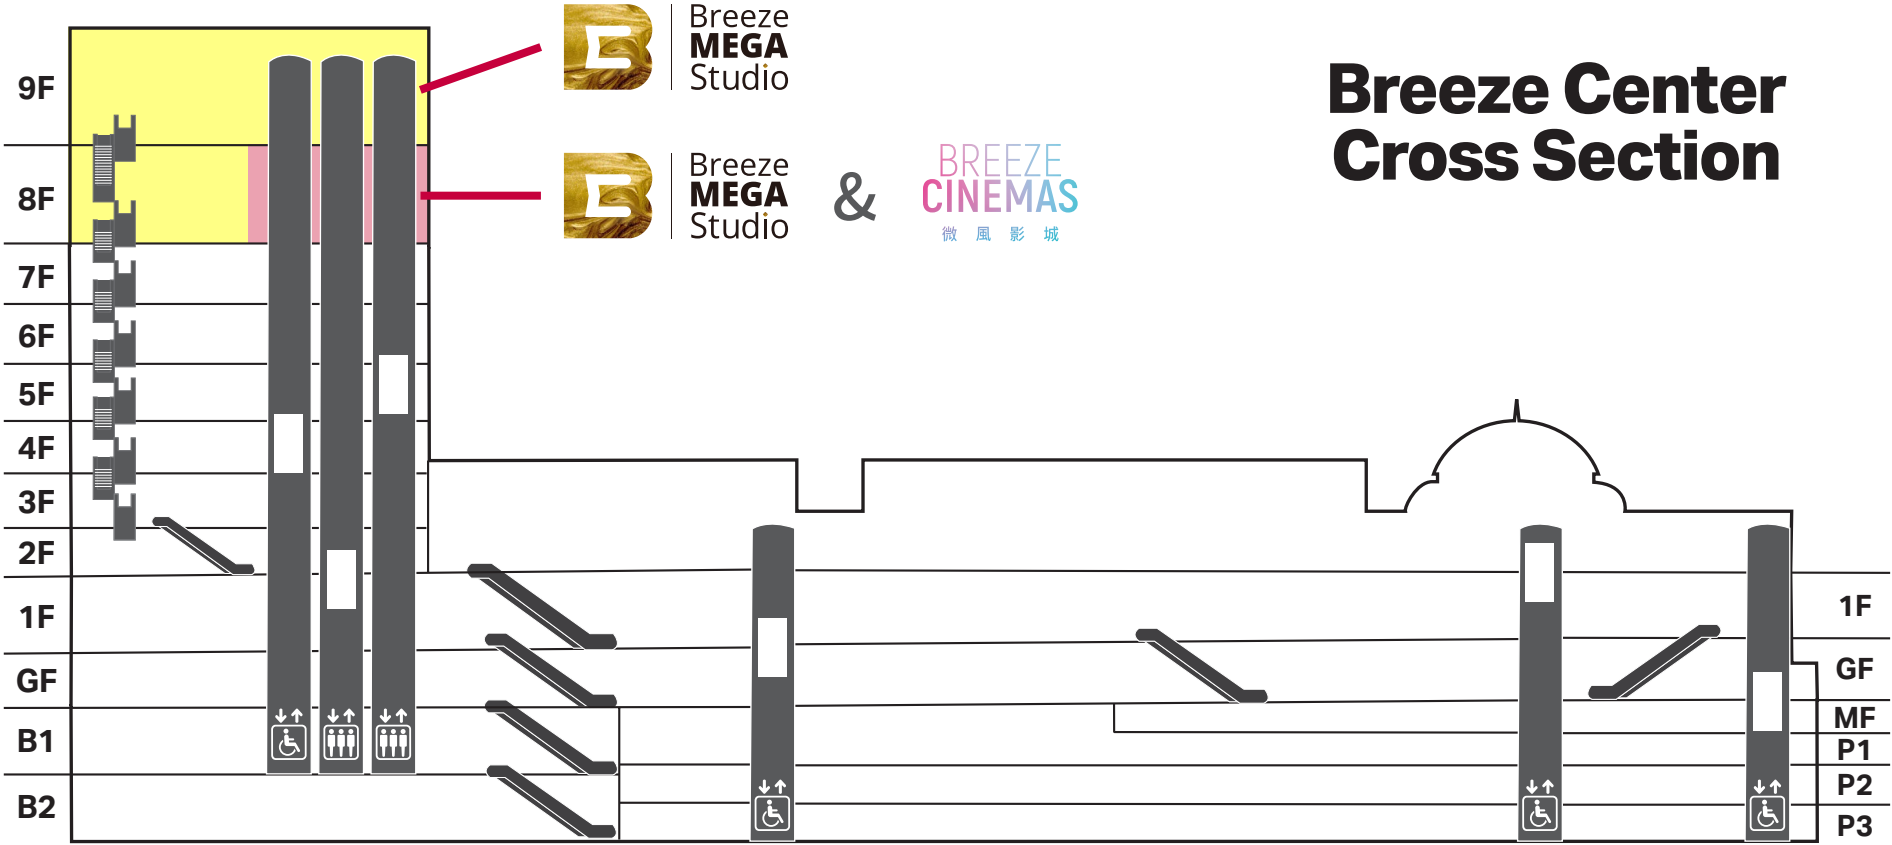

Occupying the 8th and 9th floors of Breeze Center, one of Taipei's premier shopping destinations, the venue enjoys exceptional visibility and accessibility.

Designed for versatility, Breeze MEGA Studio houses two state-of-the-art lecture and screening halls, plus four expansive exhibition spaces each exceeding 330 square meters. The venue attracts over one million visitors annually and features open corridors and advanced projection systems.

The premium facilities are ideal settings for high-profile business functions, art exhibitions, gala banquets, large-scale concerts, and a diverse range of world-class events.

Air Sterilization

Breeze Group partnered with NKFG in 2023 to implement UVC ultraviolet air sterilization systems, becoming the first company in Taiwan to receive the Indoor Air Quality Gold Certification and setting a benchmark for integrating ESG principles into corporate development.

As of 2024, Breeze Group has successfully completed installations at the following three locations:

- Breeze Center – Breeze Gourmet
- Breeze Center – Diamond Lounge
- Breeze MEGA Studio

AHU air handling Unit

UVC LED air sterilization system

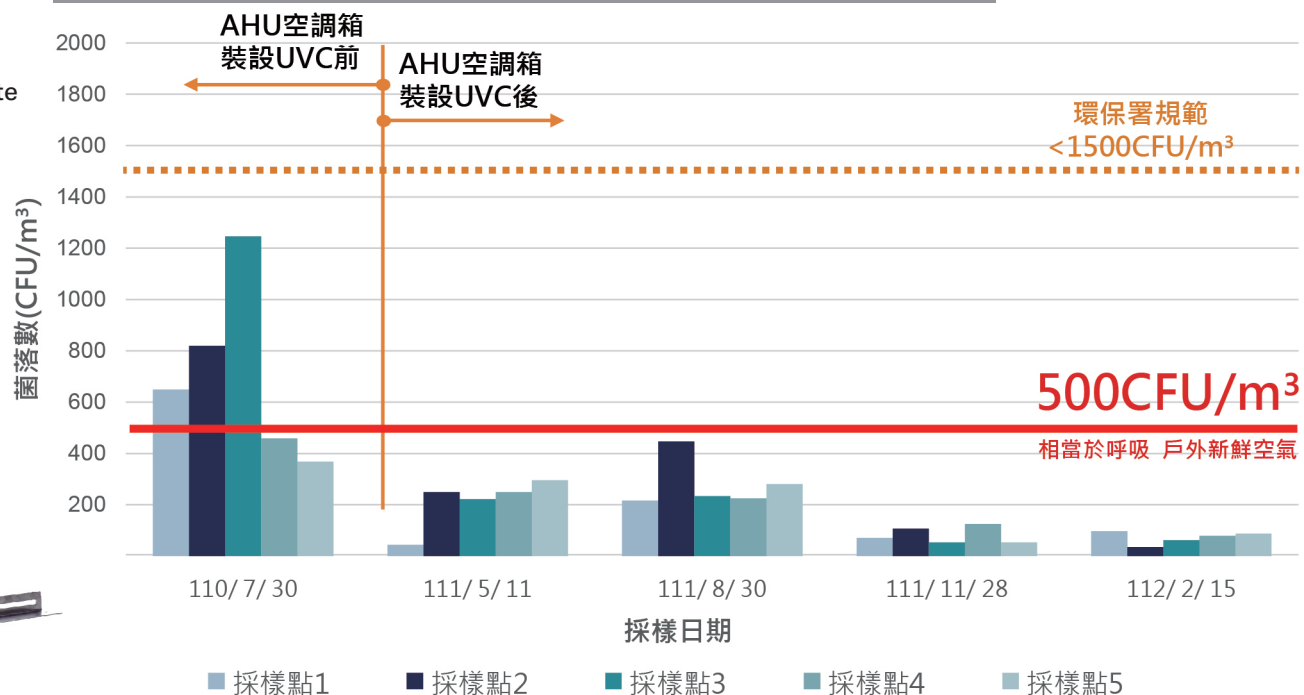

台塑集團 福機裝

Promoting Top-Level Air Quality with a Complete Lineup of UVC Disinfection Equipment

Breeze Center Empirical Results

- Note :**
1. Colony count is controlled below 500 CFU/m³ after UVC installation.
 2. Air quality in dining area shows marked improvement after installation.
